17 & 18 January 2020

- **Join with 2500 leaders** from business, healthcare, gov't, academia, NGOs, faith-based orgs, and mediation services to learn techniques to solve problems we face every day.
- **Over 150 local and international experts** will share solutions and provide blueprints to use in your life and area of interest. You will develop action plans together that you will implement after the conference.
